Day of Event: The Concessionaire is responsible for the set-up and strike of the concession booth and all materials needed for its operation. If Team Pro Event is providing a booth structure, it will be set up and removed for you.

The concessionaire is responsible to remain within the assigned booth space only. There will be no exceptions. If Concessionaire does not follow rules (i.e. no spills or items on walkway area) this will result in loss of Security/Cleaning Deposit.

Space Assignment & Final Instructions: Exhibitors accepted by or before September 1st, 2019 will receive their space assignment and final instructions approximately 3 weeks prior to the festival. Applications received after September 1st, 2019 will be assigned on a first come basis.

Withdrawal: Exhibitors may withdraw up until September 1st and receive a 100% refund and before September 15th to receive a 50% refund. **After September 15th, participation fees are not refundable.** All requests for withdrawal must be received in writing.

Layout: Space will be restricted to 10' x 10' increments. A separate space is required for a BBQ or open flame grills. The walkways are open to the public. Concessionaires are prohibited to use walkways as storage or cooking space. Non-compliance will result in loss of Cleaning Deposit.

Clean-up: The Food Concessionaire is responsible for cleaning their area and properly disposing of trash, waste water and grease. The Food Concessionaire should provide trash receptacles for public use at the booth. The Concessionaire must keep the receptacles clean and emptied and usable at all times. The booth area must be left clean at the end of the day. This includes all spills and garbage. The Food Concessionaire is responsible for providing health department requirements in each booth. Non-compliance will result in loss of Security/Cleaning Deposit.

Security/Cleaning Deposit: Refundable only if Concessionaire was in compliance with all instructions.

Beverages: Only Non-Alcoholic and Non-Carbonated Beverages may be sold. **No Water!**

Fire Extinguishers: Applicable Concessions will require fire extinguisher within reach in the booth. This will be verified by the Contra Costa Fire Department before you are allowed to open for business. A minimum of one 2A:10BC rated fire extinguisher is required. This is in addition to the "K" type extinguisher required for deep fat frying operations. Upon acceptance to the festival, and if applicable, Concessionaires will be required submit a Fire Department Permit.

Health Dept.: All Concessionaires must meet the requirements as set by the Contra Costa County Health Department. This will require a fully screened booth plus a Health Department Permit specifically for this Festival. The Health Department Fee is \$115.00 for this year's Festival. Agents of Contra Costa County Health Department will be on site. They can request removal of Concessionaires who are not in compliance with current Health Department regulations. Citations and fines may be issued by a Health Department Agent. **Please check the [Contra Costa County Environmental Health web site prior to the festival for compliance.](#)**

Flooring: The Walnut Creek Chamber advises Food Concessionaires of the City's concern about grease and cooking materials dripping and spilling on the street. The Walnut Creek Oktoberfest requires that all festival food preparation and food storage areas have a surface placed under them that protects the street from grease and other cooking materials. Suggested flooring will be tarps under plywood or cardboard. Flattened cardboard boxes will not suffice. Non-compliance will result in loss of Cleaning Deposit.
